PARISH BY-ELECTION CALLED - Wednesday 9th August 2023 Lord Pirbright's Hall

A number of local residents have called for a BY-ELECTION to fill the vacancy that exists as a result of Max Godfree stepping down. For full details, see page 4

PIRBRIGHT COMES TOGETHER FOR A STUNNING VILLAGE FAIR!

What a fabulous day out we all had at the Pirbright Village Fair on 17th June! The village green was buzzing with activity, everyone was having a great time and even the weather was perfect. The winning displays on the Little Green and in the Church were

1st: Ship of the Desert by Bette Thomas & Tony Garland

2nd: The Great Sphinx of Giza by Sara & Hugh Dennis

3rd equal: Around the World in 7 years by Pirbright School After School Club & 'Save our planet - Recycle' by Helen Whitworth

HUGE thanks to the organising team, who worked for a full year to put everything together, and to everyone who helped on the day, whether putting up marquees, serving on stalls, keeping people safe on the roads or marshalling in the car park - you were all stars. Thank you to everyone who had a stall, made a display or performed in the arena.

If you enjoyed the day, please do think about helping to organise next year's fair. We'll be putting together a committee for 2024 so if you would like to be a part of it, please contact Helen Whitworth on 07777 659138

And thank YOU, for supporting the day, see you next year!

THREE UNMISSABLE EVENTS IN ONE DAY

You'll need a good night's sleep on 30th June because we've a busy day on 1st July!

Fortunately they are spread across the day so you can probably do all of them!

Open Garden Walks from 11am to 5pm, enjoy a beautiful walk around the village visiting local gardens, rounded off with a cream tea. Details on page 3

Pirbright Village Primary School Summer Fair - from 12 to 3 pm, hitch up the ol' mule train and mosey on over to the school for some Wild West fun, details page 5

ST MICHAEL AND ALL ANGELS CHURCH

Just a thought.....

Moving without leaving

How does a person, or an organisation, move with the times without leaving behind those things that are precious and important from our past?

Pirbright Church is at an exciting moment, with a new Priest, and a renewed sense of enthusiasm, commitment and, dare we say it, faith. Since Reverend George arrived (was it really only a few months ago?) we have felt a change in the church. As with all change, there are elements that some people really welcome and others shy away from. Little things (a vicar who doesn't wear socks) and not-so-little things (a Vicar who doesn't wear Vestments) which may take some getting used to. A priest who not only reminds us of Jesus' words to 'suffer the little children to come unto me' but opens the service with a children's action song whilst holding his new born baby on his shoulder. It feels very different from the church many of the ... shall we say.... more 'mature' members of the congregation remember from our youth.

When the PCC set out to recruit a new Priest, they identified as a priority someone who could help us to make the church relevant and welcoming to more young people, families and children. One way we hope to achieve this is to recruit a

professional Children and Families Minister. Their role will be to help us create a church where children, young people and their parents want to spend their time, where they thrive and learn whilst they explore Faith.

But the thing about families is that they are made up of all generations. From youngest to oldest, we all belong and have our part to play in our church family. Whether your gift is the experience and patience of age, the energy and enthusiasm of youth, or something entirely different, you will be a treasured member of our church family and we welcome you.

OPEN GARDENS WALK—1st July

The perfect summer treat, an invitation to visit some of the beautiful private gardens hidden away in our community, maybe have a chat with the gardeners, gather ideas for your own plot or just enjoy seeing our village from a different viewpoint. And you can enjoy a cream tea in the churchyard, to round off the perfect afternoon out.

Entry to the gardens from 11am to 5 pm, is by programme which you can buy at the Church, and which includes a map. All funds raised will help to maintain our lovely old church and its work in our community.

The letter of the law

Two lawyers went into a pub and ordered a couple of drinks, then they took sandwiches from their briefcases and began to eat. 'Excuse me,' said the Landlord angrily, 'you can't eat your own sandwiches in here!' The lawyers shrugged and exchanged sandwiches.

CUNNINGHAM HOUSE

Looking around the glorious gardens of Cunningham House, one would imagine that we have full time professional gardeners working tirelessly several days each month. However, like so much else at Cunningham House, we enjoy the talents of dedicated volunteers who have a passion for gardening and a love of our House. Anne Collins, Hilary Gower and Gill Denyer (with the help of a paid gardener to do some of the heavy work) have, over the years, transformed our sloping, sandy site into a series of flower beds that feature shape, colour and texture all year round. Between them, they have tilled and planted beautiful flowers, trees and bushes weekly for a combined 63 years! Thank you garden ladies...we are very lucky to have you!

PIRBRIGHT PARISH COUNCIL

PARISH BY-ELECTION CALLED - Wednesday 9th August 2023 Lord Pirbright's Hall

A number of local residents have called for a **BY-ELECTION** to fill the vacancy that exists as a result of Max Godfree stepping down. Max's work on behalf of the Parish has been greatly appreciated and whilst the Council would normally co-opt someone to fill the vacancy, in this case local residents have called for a By-election. The cost of this By-election will need to be funded by the Parish Council.

We would therefore invite anyone who wishes to stand for this vacancy to contact the Clerk to find out more or to contact the Returning Officer at GBC on 01483 444107 for Nomination Papers.

The closing date to apply for this vacancy is 12th July 2023.

Communities thrive when passionate individuals step forward to make a difference. Parish Councils play a crucial role in shaping the local environment, addressing issues, and driving positive change. Bringing together dedicated volunteers who work

to improve the quality of life for residents and the environment. If you have a desire to serve your community, becoming a Parish Councillor is a rewarding and impactful way to make a difference and a unique opportunity for personal development.

Parish Councils are responsible for a range of essential local services, including planning, infrastructure, community events, and environmental initiatives.

By volunteering your time and expertise as a Councillor, you can actively contribute to making your community a better place to live. Your efforts can result in tangible improvements that positively impact the lives of those around you.

Even if becoming a Parish Councillor is not right for you, please come and **VOTE** for one of the candidates on **Wednesday 9th August** at Lord Pirbright's Hall.

Historically only around 30% of residents vote but it takes just 5 minutes and every vote will count, so please put the date in your diary. Voting is open from 7am to 10pm at the Hall, with plenty of car parking spaces.

KNOWL HILL SCHOOL – INAUGURAL FOUNDERS' DAY

On a beautiful day in May, Knowl Hill School held our first Founders' Day. As well as Governors, staff and students, we had guests from Cunningham House, ex-staff and the family of one of our Founders. During the course of the day our two buildings were formally named after our Founders, Angela Bareford and Norma Todd, and plaques were unveiled. We had formal speeches about the Founders and the history of the school and a picnic lunch outside. There was home-grown entertainment from the students, with acting, music and recitations. They had all learned their parts in a very short time and did themselves proud. The highlight of the day followed a mime scene from one of the teachers. As he mimed licking an ice cream, a real ice cream van pulled into the playground with chimes ringing. Everyone queued patiently for a delicious ice cream – it was worth the wait!

Knowl Hill is part of the Pirbright Community and we would like to invite everyone to our school Summer Fair on Saturday 8 July from 12-3. Entry is free and we will be delighted to see you!

PIRBRIGHT COMMUNITY SPORTS PAVILION—Official opening!

On 16th June Donors celebrated the re-build of Pirbright Community Sports Pavilion with a drinks reception to thank them for donations in excess of £100,000, without which this project would not have succeeded. Then, at the Village Fair on Saturday 17th June, our wonderful new community facility was officially opened. Guests from Surrey County Council and 'Your Fund Surrey' reflected their involvement in making this project a reality, emphasising the significance of community collaboration and partnerships. The events began with the blessing of the building by Rev Watkinson, adding a special touch of tradition and spiritual significance and underscoring the community's unity and shared values. The official opening by the Mayor of Guildford, Cllr Masuk Miah, and the presence of Surrey County Council members reinforced the importance of the sports pavilion as a valuable asset for the community.

Overall, the official opening of the Pirbright Community Sports Pavilion, alongside the village fair, was a joyful community event. It's a testament to the hard work, support, and dedication of all involved in making this project a success.

PIRBRIGHT CRICKET CLUB,

The Porpoise team is a combination of Youth Coaches,

Senior club players and Officials with half a team of U13/14 youth players who have come through the youth age groups. This is a bridge between age group cricket and "adult cricket."

The first game saw 6 boys, most of whom have been in the youth section since it started in 2020, alongside seasoned adult players. All bowled 3 over or kept wicket, with 3 wickets between them and four of them batted all scoring runs, almost seeing us home, getting to within 6 runs of Wood Street Village Dads' total.

Many thanks to Wood Street Village CC and to the adults who made it happen, not least the Chairman who showed the boys a masterclass in batting and setting up a platform to score from. These boys are the

future of the club's adult sides.

CHURCHYARD CHRONICLES

I was hopping through the church the other Sunday morning when I heard a strange sound. I stopped. I listened. There it was again, it sounded like ... giggling. Suddenly two very small humans with very big grins dashed out of the back of the church and disappeared into the church room. Within seconds the church room was full of children of all shapes and sizes, from tiny babies to young ladies and they were all busy, drawing colouring and gluing as they chatted and laughed. I wondered if I should say something, there was a service going on after all, when suddenly I noticed ... they had snacks! Hmmmm, do you think they would let me join the Sunday Club, I may not be young, but I'm quite small and I am very good at nibbling. Now, where are those snacks?

JULY GARDENING TIPS from Wellie

July is the month to really enjoy your garden, and to make a note of what might need splitting or moving in the Autumn. It can be very dry this month so watering should be top of your agenda followed by dead heading to keep your display of flowering plants looking great for longer. If tall perennials are flopping a bit, put some stakes around them to help them and tie in and train any new growth on climbing plants. Give your beds, pots and baskets a feed which will help them to stay looking lush and healthy for longer. Prune early-summer flowering shrubs, such as philadelphus, once they have finished flowering. Cut back flowered growth to a strong lower shoot and thin out up to a fifth of old, woody stems. Prune whippy summer growth of wisteria to within 5/6 buds of the main stem. Make sure they are well watered in July and August because this is when they set their flower buds. Cut back hardy geraniums to ground level after they have had their first flush of flowers to encourage new foliage and more flowers later in the year. Divide congested clumps of bearded iris after flowering. Dead head bedding plants, roses and herbaceous plants to encourage more flowers. Raise the height of the mower blade to keep the lawn greener for longer if we have not had rain. Harvest potatoes, carrots, lettuce, tomatoes and salad leaves regularly to stop them from becoming woody or bitter-tasting. Harvest garlic when the tops of the foliage turn yellow and the stems start to bend, hang them somewhere warm and dry to ripen. Keep bird baths topped up. Think about sowing or planting wildlife friendly plants such as honesty, teasels and foxgloves. Check hedges for nesting birds before giving them annual cut. If you have hedgehogs in your garden then leave out water and meat based dog or cat food (ideally chicken flavour). Babies should be emerging soon and this food will help them before they hibernate in the Autumn. If you are concerned about other animals eating the food, you could make a hedgehog station.
